ABOUT CDH

ABOUT CDH

In the heart of Victoria's premier technology precinct, Cremorne Digital Hub (CDH) stands as a beacon of innovation and collaboration. Our state-of-the-art venue spaces are designed to inspire, connect, and facilitate the future of business innovation.

Cremorne Digital Hub is Victoria's centre for innovation and growth, connecting scale-up founders, enterprises, and global partners with essential opportunities. We unite industry leaders, entrepreneurs, and investors in a collaborative space where creative ideas flourish and drive commercial success.

OUR MISSION

We tackle scalable industry problems, build new innovation capabilities, connect scaleups to commercialisation pathways, and unlock growth opportunities through our global network of partners and collaborators.

OUR PARTNERS

Cremorne Digital Hub is uniquely positioned at the intersection of government, education, industry, venture capital, and high-growth ventures. As a dynamic catalyst for collaborative innovation, we drive the transformation of the Victorian innovation ecosystem, establishing ourselves as a leading, world-class tech precinct.

Our collaborative innovation network delivers unique benefits to enterprises:

- A vibrant ecosystem fostering connections, knowledge sharing, and opportunity creation
- Access to leading-edge digital technologies through our technology partner network
- Facilitated co-innovation and capability building
- Venturing services for implementing and commercialising scalable solutions
